

# G-E-T Support

Community support when you need it most

**Mission:** G-E-T Support was created to provide support for persons and families in the Gale, Ettrick, Trempealeau area, who have been diagnosed themselves or have had a family member diagnosed with a debilitating illness, disease or injury. We would like to provide our neighbors assistance for some of the “little things” that really add up when you are dealing with a medical situation such as gas, groceries, transportation, hotels, restaurants, medication, medical supplies or other needs.

**Who is eligible to apply:** Any person or family in the Gale Ettrick Trempealeau area, who may have been diagnosed themselves or have had a family member diagnosed with a debilitating illness or disease. **Applicant must reside within a zip code area that includes either 54630, 54661 or 54627.**
